*Healthy Living*TM

Coral Reef

with Silver and Zinc Release

Healthy Living by Signature Floorcoverings was created for households on-the-go!

It's durable, child friendly and easy to clean. But, best of all, it resists mould and mildew to help households feel cleaner and fresher.

While carpet does not provide the growth of mould and mildew, foreign particles on any moist surface can promote its occurrence and growth. Silver Release helps Healthy Living carpets stay naturally fresh and inhibits the growth of bacteria, mould and mildew using silver and zinc ions.
