Monogram

Colour featured: Marsh

We don't wish to alarm you but carpet is about to become a whole lot more interesting, thanks to the all new Monogram range by Signature Floorcoverings.

The Monogram range is truly unique, with designs and multilevel textures that are only now possible due to the most advanced & environmentally sustainable manufacturing techniques. The Monogram range has been developed as a design 'accent' for your home. The concept allows you to turn entertainment or entrance areas into features, whilst still having the comfort, convenience & sound attenuation qualities of carpet.

And as the entire Monogram range is classed 'domestic heavy duty', your carpet will look as good in a decade as it does today*. Take a good look at the Monogram range & imagine how you could leave your mark.
