# Rosa

Elegant & Contemporary

Colour featured: Amore 915

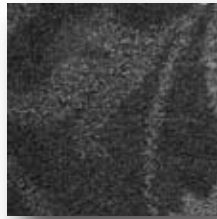

Rosa is a saxony carpet with a subtle overprint. This range has nine (9) colours in the palette offering warm beige tones through to striking solids.

Rosa has been treated with the revolutionary COLOURGUARD which helps retain colour fastness in the harshest climate. Carpets treated with COLOURGUARD are protected from colour and ozone fade to the equivalent of products made from wool or solution-dyed nylon. Please refer to COLOURGUARD brochure for further information.

This carpet is suited to all residential applications and has the added confidence of SCOTCHGARD for soil and stain protection.
