Multi-level carpets with random designs are not common place. Add to this the change in fibre to give the appearance of both a plush and a twist pile in the same carpet and you have something truly unique.

With 12 fashionable colours the *Today* carpet range is sure to get interest from many prospective buyers. This carpet is suited to all residential applications and has the added confidence of ULTRAGARD for soil and stain protection. *Today* has been treated with the revolutionary COLOURGARD which helps retain colour fastness in the harshest climates. Carpets treated with COLOURGARD are protected from colour and ozone fade to the equivalent of products made from wool or solution-dyed nylon.
