**Disclaimer:** This brochure is presented for informational purposes only. Every effort is made to ensure that carpet images are of an accurate representation of the product. However, they are for illustrative purposes only and colour variations may occur in actual product, and between die series. Please note that lineal patterns when installed directional, may produce an undesired effect when lines of the same colour meet on two edges. Installers need to monitor this during installation and reposition tiles where appropriate. Patterns that are random in nature may contain additional colour ways to the ones displayed on the samples. Please consult your commercial sales consultant for further information.
