# UV Pro Velour

UV stabilised

Colour featured: Dark Blue 5018, Anthracite 2081

Suitable for both indoor and outdoor installation, UV Pro Velour is UV stabilised and perfect for entry areas as an integrated and seamless walk-off matting. UV Pro Velour is available in 2m wide rolls. It is also suitable for boats, outdoor deckings and many other commercial applications.

Its unique construction means that it will not zipper, fuzz or pill. UV Pro Velour is manufactured from 100% stain proof fibre, for stress free cleaning and maintenance and will not absorb moisture while being chemically inert.
