## MAKING AN IMPACT WHILE REDUCING OUR IMPACT

REINSTATE. REJUVENATE. REGENERATE.

Signature Floors' local carpet tile recycling initiative here in Australia reaffirms our ongoing commitment to closing the loop and creating a circular economy. Your Signature carpet tiles are designed with longevity and performance in mind. However, when it comes time to say goodbye to your flooring, carpet tiles can be returned as part of our product stewardship. Returned tiles are first assessed and ultimately reused or recycled through a process of rejuvenation and yarn regeneration.

Go bespoke with 10 Shapes by Signature® and design your way for a minimum order quantity of 50m<sup>2</sup>
