Econyl® regenerated nylon is 100% recycled yarn made of nylon waste such as old carpets, fabric scraps and fishing nets. Through the regeneration process, Econyl® yarn never loses its virgin qualities which means it can be recycled an infinite amount of times, making it a perfect sustainable fibre solution.

Terms & Conditions: Specifications are subject to manufacturing tolerances and may be changed without prior notice. Dye lots may vary in colour from sample and between production lots. All product purchases are subject to Signature Floorcoverings Standard Terms & Conditions of Sale. Please refer to our Installation Guideline, Maintenance Manual and Warranty Document for further clarification.

This warranty is in addition to and does not affect your statutory rights. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law/NZ Consumer Guarantees Act 1993. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Please refer to our warranties on: www.signaturefloors.com.au www.signaturefloors.co.nz 06/2022©
